Return note  
**Service number:** .....

You will receive your service number from your contact person after registering the return.

Please send only sorted, undamaged goods, including the return note and the provided service number, within 30 business days from the delivery date. Upon receipt of the goods, we will inspect them for any defects. We charge a handling fee of 50% of the value of the goods as compensation for expenses. If we are at fault, this handling fee is waived. Return merchandise sent to us without prior notification cannot be accepted and will be returned to you at your expense.
